

## Chief Says He Will Not Drop Sheriff Candidacy

Filing To Begin Jan.  
15 For County, State  
April Primary Voting

Madison Police Chief Barney Fraundorf has no plans to withdraw from the Democratic sheriff race, despite persistent rumors that he will drop out, he told the Press-Record today. Venice township party leaders have pledged to support him as long as he remains a candidate.

The development appears to reduce the chance that either John Meers of Madison or County Treasurer Dore McGee of Venice will file during the Jan. 15-22 period, observers believe. Of her announced Democratic candidates, besides Fraundorf, are Alton Assistant Police Chief S. Harold Roberts and former Deputy William Thompson of Collinsville, Republican.

In the preparations for the April 10 Madison county primary election, most attention has centered on the sheriff's office, due to its importance in the field of law enforcement and due to the unusual party rivalry among Madison-Venice aspirants.

Venice township Democratic backed Maers, younger brother of Madison Mayor Stephen Maers, four years ago when he ran second to Sheriff George Maers of Edwardsville. Neither Maers nor McGee can succeed himself, and Maers for years unopposed for the Democratic trustees nomination.

Political Triangle  
Tallies rivalry appears to be between McGee, believed to wish to continue as a county official, and Maers, Republican Madison patrolman and the chief deputy under County Probate Clerk Dale Hill of Madison. Formerly superintendent of streets, McGee is a member of the Venice city political organization headed by Mayor John E. Lee. Maers is closely aligned with the Madison organization led by his older brother.

Efforts were made to avoid a direct conflict, since the two groups have attained power in county political circles by working closely together; an example is the selection of Walter Simmons of Venice as county Democratic chairman.

Fraundorf's candidacy resulted, and he has pursued it with the intention of staying in the race to the end. Chairman Simmons regards him as the April and November winner. Supporters of other candidates have speculated about a possible withdrawal, but Fraundorf says no information has not come from him.

Experience, Records  
Capable descriptions of politics label McGee as respected but not familiar with police work. Maers, as a police officer around the courthouse and partially experienced, and Fraundorf as an expert in police work, but embarrassed by Madison's past notoriety. Roberts also is rated as an extremely capable police officer; Thompson, Emde and Vierling all have had police experience.

Fraundorf recognizes that he and other Madison officials have been criticized as responsible for lax enforcement. He attributes more effective enforcement in recent years to the establishment of a bureau of police commissioners and a civil service program for police in the early 1950s. "Before that, even policeman was in politics and had no job security," he comments.

## SCENE OF SPECTACULAR FIRE yesterday afternoon looking north in the 2200 block of Madison avenue. Firemen are shown battling the \$200,000 blaze at the Woodrume auto agency while spectators fill the snow-covered street.

Flames can be seen above the "used cars" sign, with dense smoke swirling westward toward the nearby main fire station.

Wallace O. Barr, 31, of 1917 Jay avenue died at 7:10 a.m. Friday at St. Elizabeth Hospital from pneumonia. He had entered the hospital Wednesday, after becoming ill the previous day.

Mr. Barr was a lifelong Granite City resident and a graduate of Granite City high school. He was a member of the Church of Christ at 2300 Clark avenue. He had entered the hospital Wednesday, after becoming ill the previous day.

Survivors are his wife, Mary (Maud) Graham and Mrs. John (Mildred) Fleenor, both of Granite City; a sister, Ruby Hinkle of Springfield; seven grandchildren and three great-grandchildren.

He was taken to a Granite City funeral home, where arrangements are pending. An obituary is given elsewhere in this issue.

William Bauer, 62, Dies; Retired Plumber  
A retired plumber, Mr. Bauer had been a Madison resident 45 years. He was born at Festus, Mo. He was a member of the American Legion Post 307 here and the Elks lodge at Livestock.

Surviving are his mother, Mrs. Frances Bauer of Poplar Bluff, Mo.; a brother, James Bauer of Madison; and two sisters, Mrs. Barbara Morris of Poplar Bluff and Mrs. Sallison of Cedar Hill, Mo. Funeral arrangements are given in the obituary column.

Minimum Drainage, Sewage Plant Projects  
Council members have indicated they plan to which do the drainage relief and pollution abatement proposal outlined Dec. 13 by the Citizens Master Sewer Drainage committee, whose members stressed it was the minimum program that would benefit the city.

The \$9,925,000 program outlined by the citizen group represents a cutback from the original and complete system set forth earlier last year. However, at that time it was planned for the West Side Levee & Sanitary District to participate financially in the amount of \$10,000,000 for trunk lines, additional drainage ditches and other related work. This assistance was cancelled when Gov. Otto Kerner vetoed legislation which would have increased the levee district's bonding power to cover the Granite City projects.

Plan Revised  
With this unfortunate development, the citizen committee re-appraised the entire program and revised the plan to a bare minimum, but designed to provide for the separation of storm water and sanitary sewage, which is not only "the most desirable but also the most economical program." The committee also has studied in detail the district's wide pollution abatement proposals of the levee board.

## Mayor Davis Seeks Meeting To Revalue SIU Proposals

Granite City council committee chairman will be asked by Mayor Davis tonight to call a meeting of the city council to confer with Dr. Seymour Z. Mann, Southern Illinois University, to revalue the SIU study with 125 major recommendations.

For improvement of city government here.

Mayor Davis has indicated he will endeavor to salvage as much of the long-range program as possible, despite council action taken several weeks ago to discard the first step to be taken in the plan several months ago—a new arrangement for the city's major and council sessions.

Dr. Mann, director of public administration and metropolitan affairs program for the Southern Illinois University, has written letters to the mayor and each of the 16 aldermen asking them to reconsider the action taken to throw out the detailed study.

The action to discard the program was launched by Alderman Walter Norn, who set a Jan. 22 deadline. The city council's next regular meeting is next Monday and the committee chairman meet this evening under the SIU program.

The study and its recommendations have been utilized "little by the council and it has failed to consider the action taken to throw out the detailed study."

However, Mayor Davis said he hopes to proceed with the proposals outlined by SIU, but may request council committee to increase the number and select additional chairman.

Text of Dr. Mann's Letter  
The text of Dr. Mann's letter to the mayor and council members follows:

"As we begin a new year I am reminded that some six months have now elapsed since the presentation of our Government in Granite City report. Naturally we have followed with some interest the impact of the report and have attempted to assess its worth to the citizens of Granite City. Obviously, too, we are not head-in-the-sand or wish to ignore the news reports that certain of the recommendations contained in the report have been subjects of controversy."

In our covering letter accompanying the rendered report we wrote the following at one point: "... (we) pledge our efforts to the citizens of Granite City in working to implement the plan of the report."

\$7,800,000 Bond Issue  
The citizen group's recommended plan calls for the following, to be financed with a \$7,800,000 revenue bond issue with an annual interest rate of 4 1/2% over a period of 38 years:

Storm and sanitary relief sewer, \$7,300,000, less \$1,800,000 levee district participation, leaving \$5,500,000 to be financed by the city; sanitary interception sewer, \$1,400,000; sewage treatment plant, \$1,200,000; and trucks to haul filter cakes to the city dump, \$25,000, for a total of \$2,625,000, less an estimated \$600,000 federal grant for a total of \$2,025,000.

The overall total cost of the project to the city would be \$7,825,000.

## 2 Youths Admit 7 Burglaries in GC; Weekend Thefts

Granite City police wrote seven burglaries, two break-ins, two attempted break-ins and a shoplifting theft of their books Friday with the confessions of two local youths.

A petty larceny charge resulted in a 90-day jail sentence for another Granite City youth.

Two Granite City boys, 13 and 11 years of age, were turned over to a co-ordinated Youth Services Friday after confessing to seven burglaries, two break-ins, two attempted break-ins and a shoplifting theft.

The 12 incidents date as far back as Sept. 24 and as recent as last Wednesday when they were seen trying to cut a 2x4-inch hole in a glass storm door at the rear of the Lester Jones Studio, 1924 Edison avenue.

Charles Jungels heard a scratching noise from the rear of the building when he opened the inside door he saw them. The two youths fled the scene.

Another eye witness saw them dispose of articles taken from the Catholic churches offices in East 23rd street, when a clear heel print taken from a piece of broken glass from the rear door at the welfare agency was resulted in the boys confessing.

The print matched boots worn by a boy when arrested, said Raymond Willard and James Lowrey, Granite City chiefs of police and detectives, respectively.

Burglaries cleared were: Sept. 24 at Al Hight's Bar Shop, 2817 East 23rd street, when an electric razor was taken; Dec. 16 at Ebling's Used Furniture store, 1313 Eighteenth street, when an air rifle was stolen; Jan. 1 at Dressel's Dairy, Niedringhaus avenue, and a Benton street, where eight flashlights and a few quarts of milk were taken.

## Terry Lee Raty, 3, Dies of Pneumonia

Terry Lee Raty, three-year-old son of Mr. and Mrs. Charles Raty, Rural Route One, Granite City, died at St. Mary's Hospital in East St. Louis at 7:45 p.m. Thursday of pneumonia.

The child had become ill with influenza on New Year's Day. He was taken to the hospital on Thursday after his condition became worse, when an electric razor was taken, and a discovered pneumonia was diagnosed.

He was born at East St. Louis, and had made his home since birth with his grandparents, Mr. and Mrs. Edward H. Raty, who also live on Rural Route One.

## Auto Agency Swept By Fire Yesterday, Loss Estimated At \$200,000

Police Predict 99  
January Accidents

Using their own formula, Records Clerk Raymond Ridge and Desk Clerk William Condit today predicted 99 accidents will occur in Granite City during this month. The two patrolmen pointed out that a year ago they predicted 96 mishaps and 113 occurred.

The figure is determined by taking into consideration recent and annual trends and expected weather conditions. If recent trends play a big part in the prediction, then last month's final accident total of 122 should have a great deal to do with the forecast. December's figure was an all-time low for the month in Granite City.

There were 1056 collisions within the city limits during 1961. It marked the second year in a row that the total exceeded 1000.

## 20 Vehicles Ruined, 9 Others Damaged At Woodrume Oldsmobile; 40 Firemen Hampered By Snow, Wind, Headway Gained By Flames

Sixteen months after a \$150,000 fire destroyed an automobile agency fire block to the south, a \$200,000 blaze at the Woodrume Oldsmobile showroom and repair garage at 2261 Madison avenue.

Unlike the earlier fire at Hundley Pontiac, where two firemen were hurt and five others overcome by the intense heat and degree of smoke, yesterday's blaze was fought for over three hours in snow, high wind and mid-20s temperature.

Only injury reported was that of Assistant Fire Chief Curtis Donley, who suffered a minor finger laceration from broken glass. In addition, one person was hurt in a collision involving a Venice police car which was taken to volunteer firemen to join the force of 34 Granite City firefighters.

## GC Bank Teller Hurt Critically; 11 Other Injuries

A Granite City bank employee was injured critically and 11 other persons were hurt in weekend Quad-City collisions. Twenty-four accidents were tabulated.

Leslie D. Danner, 23, a teller at the First Granite City National Bank, suffered critical injury at 10 a.m. Sunday in a head-on auto crash at Illinois Route 137 and Cana drive west of Collinsville. He is to undergo brain surgery at St. Mary's Hospital, East St. Louis.

A former Granite City man, Danner resided at 211 North Bluff road, Collinsville, with his wife, the former Phyllis Allen, daughter of Mr. and Mrs. Hubert Meyer, 2845 Madison avenue. They have two daughters, ages 23 months and four months.

He ran his way to obtain milk for the children and a sales line for his auto when his south-bound vehicle was struck by the north-bound car of Raymond O. Jackson, 66, Belleville, also taken to St. Mary's Hospital in critical condition. Both drivers were alone in their cars.

State police said Jackson lost control of his auto on the snow-covered pavement.

Danner's son of the late Dr. and Mrs. L. D. Danner of Granite City, has a skull fracture, brain concussion and internal injuries. He is receiving around-the-clock nursing care, and it is not known how soon his condition will improve to the point where surgery can be carried out.

Auto Hits Train, 2 Hurt  
Two Granite City men were hospitalized early Saturday morning when the auto in which they were riding crashed into a south-bound freight train at the Railroad crossing, Police said.

Police said the car, a 1959 Oldsmobile, was struck by a south-bound freight train at the 20th street crossing. Police said the car was struck by the train at the 20th street crossing.

## Area's Birthrate In '61 Is Lowest In Nine Years

The Quad-Cities area birth rate of 1297 in 1961 was the lowest in nine years, according to vital statistics maintained for the entire area by Granite City Clerk A. L. Stevens. Last year's death rate of 378 also showed a decline. In 1960, when 1222 deaths were recorded in 1960, 426 in 1955, 386 in 1954 and 356 in 1953.

A breakdown of the 1961 vital statistics compiled by Clerk Stevens, showing births, stillbirths and deaths in that order, follows:

January—131, 0 and 38; February—110, 1 and 32; March—121, 2 and 31; April—109, 1 and 34; May—87, 3 and 45; June—91, 1 and 37; July—116, 1 and 31; August—135, 2 and 32; September—127, 2 and 30; October—121, 1 and 32; November—83, 1 and 25; December—81, 1 and 22.

## GC Twp. Relief Decline Continues

Granite City township's relief assistance dropped by 10 cases and 41 persons during December. It was reported over the weekend from the office of Supervisor Nelson Hagner.

During the past month, the office handled 142 cases with 141 individuals and costs of \$8618, as compared to November's total of 152 cases, 506 persons and costs of \$12,925.

Total relief costs for the fiscal year, which ends next Feb. 28, amount to \$82,600, as compared to \$34,968 for the corresponding period last year.

Relief figures for December 1961 were 76 cases with 203 persons and costs of \$4754.

Charles Rosen

## Young American Pianist To Appear Here Tuesday

Author, Phi Beta Kappa, but primarily musician, young American pianist Charles Rosen will appear here in concert at 8 p.m. tomorrow in the Granite City high school auditorium.

Rosen's appearance here is under the auspices of the Tri-City Community Concert Association, and will mark the second in a series of four concert-going occasions for members of the association.

Born in New York in 1927, Rosen made his professional debut at the New York Town Hall in 1951, and has drawn critical applause ever since.

He is the writer of an article on the piano works of Ravel and Debussy, entitled "Where Ravel Ends and Debussy Begins," and his piano repertoire includes the compositions of both the Romantics and the Moderns.

Rosen has recorded the works of Haydn, Mozart, Brahms, Martinu, Poulenc and Debussy, and recently added Ravel's "Le Tombeau de Couperin" and "Concert de la Nuit" to that list. Works of both the "old" and "new" schools will be included in his program here tomorrow night.

Two additional concert programs remain on the Community

CONCERT PERFORMER, American pianist Charles Rosen, who will appear here tomorrow night as the second attraction in the Tri-City Community Concert Association's current season.

Concert schedule. On Feb. 26 the association will present "The Theatreman, a male ensemble; and on April 8 Soprano Beverly Bower will be heard in an afternoon concert.

## 4 Treated Saturday For Fall Injuries

Four persons were treated at St. Elizabeth Hospital Saturday for injuries suffered in falls, and a Venice woman, Mrs. Edith Taylor, 27, of 2019 Logan street, Venice, was bitten by a neighbor's cat, police were informed at 12:05 a.m. Saturday.

The pet cat was kept under observation to determine whether it has rabies.

Injured in falls were Glenda King, 13, of 1617 Fifth street, Madison, who was treated for an injury to her left shoulder;

James Wiley, 8, of 2120 Benton street, who required stitches to close a three-inch cut to her left leg; Mrs. Gladys Gregory, 1610 Sixth street, Madison, who fell on a curb and injured her right knee, and Emilio Campos Jr., 15 months old, 2424 Edison avenue, who fell from a coffee table and suffered a cut over his right eye which required stitches to close.

## Auto Hits Barricade

The northbound auto of George C. Brown, 32, of 1725 Spruce street struck a barricade and partially entered a garage on Madison avenue at 10th street during rain at 8:20 a.m. Friday. He was unhurt, and the car, towed to a garage, appeared undamaged.

## Workouts for Street Crews, Motorists With 7-Inch Snow

The weekend's accumulation of snow, which started falling nearly an inch of rain and sleet on Friday, amounted to seven inches, according to the rain gauge maintained at the Chain of Rocks canal locks by the U. S. Army Corps of Engineers. The precipitation for the seven inches of snow was set at a half inch.

The gauge showed a 5 1/2-inch of snowfall at the 8 a.m. reading on Sunday and a 1 1/2-inch fall this morning.

City street departments, as well as county and state highway crews, were called on duty Saturday and again on Sunday. #### Fined \$500; Possessed Stolen Merchandise

U. S. District Judge Roy W. Harper fined Salvatore J. Spicuzza, former local resident, \$500 on Friday when Spicuzza entered a plea of guilty to a charge of possession of stolen merchandise in St. Louis. Spicuzza, who listed addresses in St. Louis and Collinsville, had been charged with possession of stolen merchandise valued at over \$100, a felony. However, the charge was reduced to possession of stolen property valued at less than \$100, a misdemeanor.

Involved was a stereophonic phonograph, reported stolen from a loading dock of a St. Louis shipping company.

#### Two-Hour Fire

Granite City firemen battled a fire at the Hoyt plant of the National Lead Co., 16th street and Cleveland blvd., yesterday at 5:15 a.m. for two hours before returning to the station house. A spokesman for the fire department said the fire was confined to the company's four-story brick bag house. Cause and estimated loss was unknown. There were no injuries reported.

#### Parked Car Struck

Thomas Yates, 19, of 4810 Kirkpatrick Homes, was headed west on West 23rd street yesterday at 12:55 p.m. when his car skidded on the ice and struck a parked car near Missouri avenue belonging to Harold Ritter, 55, of 1532 Second street, Madison. There were no injuries, police said.

#### Collide Yesterday

Two autos collided yesterday at 10:25 a.m. on Sheridan avenue near the Sacred Heart Church parking lot. Police said that William E. Vannote, 62, of 2811 Edwards street, was making a left turn out of a driveway when he collided with a westbound car on Sheridan operated by David H. Mills, 18, of 2456 Hodges avenue. No injuries were reported.

#### Two-Car Collision

Two cars collided in the 3400 block of Nameoki road Saturday at 5:25 p.m. Police said that James H. Reddick, 31, of 2948 Paul street, was headed south when his auto slid sideways into a northbound car operated by Carlin E. Elledge, 28, of 2611 Sheridan avenue. There were no injuries, police said.

### Begin C. of C. Pilot Study of Communism Today

"Freedom vs. Communism: The Economics of Survival," a U. S. Chamber of Commerce citizen's course, was begun as a pilot study this morning by the local C. of C., which will offer it to wide numbers throughout the community at a later date.

Attending the initial session were representatives of most Quad-Cities firms hiring a significant number of workers, as well as community business, educational, and civic leaders. Many of these will serve as discussion leaders for future courses.

This morning's class, beginning at 7:30 in the YMCA club room, was the first of eight consecutive meetings of approximately two hours duration. John McBride, vice-president and local plant manager for the Union Starch & Refining Co., is discussion leader.

The pilot course is intended to stimulate interest among those whose firms could give the study later as employee training or who hire a significant number of workers who could be encouraged to take the course elsewhere.

The study will be offered to all Tri-City C. of C. members, according to Harold F. Karandjeff, chairman of the organization's good citizenship committee.

Those participating in the pilot study are Chester L. Baker, C. B. Blankenship, Maurice Dailey, Jon L. Dressel, G. W. Hoelscher, Dr. Harold M. Kaiser, Ernest A. Karandjeff, Harold F. Karandjeff, Walter R. Klostermeier, Gene E. Lichtler.

Paul H. Lichtenberger, Frank C. Mansfield, George Mauze, George J. Moran, Randall Robertson, A. P. Steinhauer, G. H. Sternberg, Irvy V. Todd, M. Freeman Wolfe, Ernest E. Veith Jr., John W. Reese, Mrs. Gabrielle Beine, and Glenn Keitley.

**Mrs. Gertrude Harmsen, 56, Dies of Cancer**  
Mrs. Avis Gertrude (Pirtle) Harmsen, 56, of 2224 Adams street, died of cancer about 2:15 p.m. Saturday at St. Elizabeth Hospital where she had been a patient about six weeks.

Mrs. Harmsen, who was employed at the hospital as a housekeeper, had been ill about 18 months. She was a native of Pomona, Ill., and lived in Granite City 37 years.

Survivors include her husband, Rudolph; two daughters, Mrs. Joseph (Virginia) L. Becker and Mrs. George (Inogene) Bogue, both of Granite City; two sons, Aldean Pirtle of Palatka, Fla., and Darrell Pirtle of Granite City; five brothers, Harmon Etherton of Beach City, O., Dallas and Willis Etherton of Granite City; Raymond Etherton of Murphysboro and Hod Etherton of Otana, Minn.; two sisters, Mrs. Edith Ellis and Mrs. Fred (Olean) Stearns, both of Murphysboro and seven grandchildren.

Funeral arrangements are given in today's obituary column.

#### Two Divorces Granted In City Court Here

Two divorce decrees became final Saturday morning here before City Court Judge Fred P. Schuman.

Ann Winston, charging desertion, was granted a divorce from Virgil Winston. The couple married on July 1, 1950, and separated in November 1960. The plaintiff was granted custody of one minor child.

Charging cruelty, Jane Smith was granted a divorce from Bernard Smith Saturday. Married Dec. 4, 1954, the couple separated last March 14. Custody of three minor children was granted to the plaintiff.

#### Accident Charge Filed

Charged with failing to yield right-of-way at 2:20 p.m. yesterday at Denver street and Nevada avenue was Albert W. Beedle, 33, Collinsville, who posted his driver's license as bond. Police said that Beedle was headed east on Nevada when he struck a northbound car on Denver driven by James Waynich, 31, of 2400 West 23rd street. There were no injuries reported.

# Rams Find Kinloch Easier A Second Time; Saturday's Attacks Game Postponed

Lincoln of Vealet won one game over the 500 mark for the season with an 88-50 win over Kinloch, Mo., Friday night. By winning Coach Stan Lynch's Rams upped their record to 3-2.

A Saturday night contest with Carbondale Attacks at Lincoln was postponed because of the hazardous weather conditions between here and Carbondale. Lincoln school officials told the Press-Record that a date has not been set for rescheduling the Athletics game.

Thus, the Rams are idle till Jan. 16, when they will journey to East St. Louis to meet the Lincoln of East St. Louis five.

**28-Point Victory Margins**  
After a 24-day lay-off, Coach Stan Lynch's Lincoln Rams defeated their first win of the new year Friday night at home by defeating Kinloch, Mo., 88-50. The last time Lincoln had played was Dec. 12 at Kinloch, where the Rams posted a 79-73 win over the Missourians.

"We had some running room," remarked Coach Lynch, when asked why the Rams found Kinloch so much easier on the local hardwood. "Their court is

much smaller than ours, and this aids their zone defense."

Lynch identified that he could not complain about the 28-point victory margin, but insisted that his team played better at Kinloch than it did at home.

"After that long lay-off, I didn't know what to expect," he said. "We were very rugged on defense and offense from the middle of the second quarter on."

Lincoln and Kinloch were tied 16-16 at the end of the first period. The Rams pressed in the second quarter and broke the game wide open as they walked off the floor at halftime with a comfortable 46-22 lead.

Saving themselves for Saturday night's contest, the Rams started off the press in the third quarter and were outscored 20-14. A last period press resulted in a 28-19 Lincoln margin.

Charles Hatter led the Rams with 32 points. Other Lincoln scorers: Bob Chavez 20, Bill Boyd 13, Johnny Marchbanks 9, Edgar Buckles 6, Isaac Brown 6 and Charles Crawford 2. Kinloch scoring: Reese 17, McKinney 15, Carter 9, Dunn 9, Fant 8 and Matthews 2.

## Collinsville Takes 2 From Prather Cagers

Collinsville seventh and eighth grade basketball teams swamped Prather clubs here Friday afternoon, winning the seventh grade contest 41-28 and the eighth with a 61-24 victory in the eighth grade game.

Collinsville, using a full-court press, full time in both halves, held a 29-12 lead at half-time of the first game. Mike Barnhart led Prather with seven points.

The visitors opened up a 29-11 intermission lead in the second game. Bill Cox scored Prather's scores with eight points. Prather plays Madison Junior high school there tomorrow at 4 p.m.

## A Hurt In Crash

Four persons suffered minor injuries Friday afternoon in a two-car collision at 23rd street and Delmar avenue. Clarence Boyd, McCoy, 28, of 2312 West 24th street, one of the drivers who was listed as injured, was charged by police with failure to yield right-of-way. He was released on \$16 cash bail.

Injured in the other car, were the driver, Mrs. Beulah Worthen, 32, of Troy and passengers, Tracey Worthen and a ceremonial sword from the Odd Fellows Hall, 2000 Grand avenue. Lowder said that neither their apparently had been noticed because no reports were made.

They confessed to taking two combination locks in the J. J. Newberry Co. store, 1337 Nineteenth street, which were not reported stolen and were broken into Stokre Lumber Co., 20th and Adams streets, on Dec. 17 and into Protestant Welfare Office, 2022 Edison avenue, Wednesday but took nothing on either occasion.

Lowder told how both boys related their attempt to break-in at Al Hen's shop again Dec. 23 and at the Lester Jones Studio, 1224 Edison avenue, Wednesday evening. At the studio, they were seen trying to cut a 2x4-inch hole in a glass storm door.

Most of the property and about 57 of the money taken have been recovered, Lowder said.

## 90 Days For Larceny

A 90-day term in the county jail was handed down Friday for Carl Glen Dixon, 27, of 2145 Canoe street, who pleaded guilty before Police Magistrate Gasparovic to a charge of petty larceny.

Police said Dixon took \$51 from a purse belonging to Mrs. Nellie Decker of St. Louis on Thursday when she was visiting in the 200 block of Dewey avenue. He was taken to the county jail Friday afternoon.

## Church Trays Stolen

Stole plates and trays valued at \$130 and used for Lord's Supper ceremonies were stolen from the First Baptist Church office in the church building, 21st street and Delmar avenue, it was reported to police Friday morning by Rev. George Sage, pastor.

The four plates and two trays were in original shipping cartons. Rev. Sage said they actually belonged to the Second Baptist Church and had been delivered to the First Baptist Church by mistake.

Flute Street, reported to police Friday afternoon that \$70 worth of assorted tools had been stolen from his auto while it was parked at his home Thursday night.

Mrs. W. C. Johnson, 2254 Cleveland blvd., told police Thursday at 4:20 p.m. that her daughter's flute was stolen from the music room at Central grade school, 21st street and Delmar avenue.

She said that the name "Jane Johnson" and her address were on the case and on a plastic plate on the flute.

Andrew Clindard, 2805 Indiana avenue, told police at 12:10 p.m. Saturday that he had put snow tires on his car in October and had not noticed the regular tires missing from his garage until Saturday.

Four standard hubcaps were stolen from a 1956 automobile belonging to Fred Jones, 4401 Kirkpatrick Homes, who reported the theft to police yesterday at 11:10 a.m. He said they must have been taken Friday morning.

## VENICE FIRE LOSS Down Last Year, City Council Told

(Continued from Page 1)

The per capita fire loss "in Venice during 1961 was down from \$3.34 to \$1.02. Fire Chief Michael Leatherman told the city council at its regular meeting Friday night.

In an annual report to the council, Leatherman said the fire department answered 93 calls during the past year, as compared to 108 during 1960. Of these, eight were false alarms, three were out-of-town calls and four were for rescues not involving fires.

Total value of property involved in Venice fires during the year, excluding railroad and commercial property, was \$183,000, Leatherman reported. Actual loss incurred amounted to \$3450.

Losses of structures where fires occurred, again excluding railroad and commercial property, was valued at a total of \$70,350, with a loss of \$2915.

**21 Residential Fires**  
The department answered 21 fires in residential dwellings, 20 in areas in residential areas and one in a commercial building, 15 auto and truck fires and three industrial fires. Other calls included five shed and garage fires, five caused by stoves and flues, seven in commercial buildings and two railroad fires.

Leatherman said the average response during the year was 12.5 volunteer firemen per call. He said he had checked on the new fire truck during the week, and believes it will be ready for delivery by the end of January. All the parts are now completed, and the truck and only assembly remains.

In other action Friday night, the council approved payment of bills for city supplies and operating costs during the final two weeks of December, as well as salaries of city employees.

Payment of \$960 to Walter E. Hansen & Co., Springfield, from the McKinley Bridge revenue had been approved for engineering services related to a proposed Broadway traffic underpass. Mayor John E. Lep said the estimated cost of the services had been \$1400.

**52 Arrests, \$492 Fines**  
Police Chief Frank Devitt reported 52 arrests during December. Of these, 25 paid fines and costs totaling \$492, he said, while the others were released without fine or turned over to other authorities.

Devitt thanked the city officials for their help in packaging and distribution of Christmas treats, and said he was happy to report the holidays had been comparatively quiet for the police department.

The council voted to make a recently-completed McKinley Bridge audit report by Bert H. Allman & Co. of East St. Louis a part of the minutes, and to place it on file. Mayor Lee said the audit was a very comprehensive study, and urged council members to give it attention.

Mayor Lee read a letter from the Interstate Commerce Commission, stating that hearings on the proposed merger of the Norfolk & Western, Nickel Plate and Great Northern railroads have been continued to Jan. 15. Testimony from local residents has been given at the hearings, the letter noted.

Flute Street, reported to police Friday afternoon that \$70 worth of assorted tools had been stolen from his auto while it was parked at his home Thursday night.

## New Gas Pipeline

(Continued from Page 1)

serve increased needs of existing industry, and additional industry could be accommodated."

Opposition to the new, proposed pipeline is anticipated from Mississippi River Fuel Corp., as the new pipeline is known over the weekend through a preliminary filing with FPC by industrial users in the Quad.

Cities area, including Granite City Steel Co., American Steel Foundries, Laclede Steel Co., National Lead Co. and Alton area firms, Alton District Manufacturers Association, American Zinc Co., Olin-Matheson Chemical Corp., Pittsburgh Plate Glass Co. and C. K. Williams Co.

In the Illinois-Missouri metropolitan area, it was reported, between 80% and 90% of the industrial users have signed contracts with Oklahoma-Indiana Gas Pipeline Co.

Construction of the new line is expected to take about six months from the time approval is granted by FPC.

The new firm was formed, it was explained, to build and operate the line from Oklahoma's northwest fields to this area, and also to supply gas to consumers along the route. The contracts signed to date cover 11,670,000 cubic feet of gas daily and the line also will provide an additional 21,500,000 cubic feet on an interruptible basis.

Oklahoma-Indiana is offering two types of service to utility companies that sell natural gas to homes, commercial and industrial firms.

The added line has long been sought by local industries, now operating on interruptible gas contracts, especially with the rapid growth in use of natural gas for heating homes. Industries have protested to FPC a recent FPC examiner's report on Mississippi River Fuel's allocations of gas.

## Community Concert Group Elects Henley President

Raymond Henley of 2540 Cleveland blvd. was elected president of the Tri-City Community Concert Association for the coming year during the association's annual meeting yesterday afternoon, held at the Granite City Trust & Savings Bank.

At the same meeting, association members chose Mrs. Albert Froemling to head the organization's annual membership drive, which will commence with a

kick-off dinner March 26, and continue through March 31. Miss Martha Cowan and Miss Mary Cowan were appointed as dinner co-chairmen. A site is to be announced later.

Other officers elected by the association were John Lee, first vice-president; John McCabe Moore, third vice-president and publicity chairman; Mrs. Warren Simpkins, secretary; and Kenneth MacClatchey, treasurer. Mrs. Froemling is the association's second vice-president for 1962.

Warren Simpkins was appointed presentations chairman, to have charge of concert arrangements for the 1962-63 season.

Miss Sharon Collins, a representative of the National Community Concert Association, was present at the meeting to discuss concert artist availability in 1962-63.

Ron McAnally, trainer of Donut King, studied electrical engineering for two years at the University of Cincinnati then was lured back to the turf.

NEWLY-ELECTED as president of the Tri-City Community Concert Association is Raymond Henley of 2540 Cleveland blvd.

The association also made plans to launch its annual membership drive on March 26 at an annual meeting here yesterday.

### SECRETARIES TOLD HOW TO KEEP FIT

"Dieting can be very easy if you watch what you eat, instead of how much you eat." With these words Mrs. Lee Pfaff, girls' and women's director at the YMCA, summed up her remarks at the January dinner meeting of the Tri-Cities Chapter of the National Secretaries Association held at the Rose Bowl Thursday evening.

Arrangements for the meeting were made by Mary Sedekum, chairman of the civic committee, assisted by Jeanette Trant.

Others attending were Eileen Davison, Johanna Brzostowski, Faye Mercer, Charlene Vunovic, Betty May, Donna Farrington, Jane Davis, Arlene Noll, Doris Robinson, Shirley Henderson, Esther Rensing, and Dorothy Lawrence, together with two new members, Phyllis Kent and Jean Hilleman, who are to be installed at a later date.

The next meeting of the board of directors will be held Tuesday, Jan. 16, and the next general meeting Feb. 6, at which time final arrangements will be made for a hat sale in March.

January 11, 1937  
Activity in the building industry in Granite City during the year just closed was 90% better than in 1935, according to the records of City Clerk Edwin Rigg. He reported total building permits for 1936 as compared to \$202 the year before.

The clerk's records show that 16 building permits were issued in 1936, whereas only five were obtained in 1935. The average cost of construction projects last year was \$1650, and the year before it was \$25. Only one residence, valued at \$3000, was built that year and the other work was solely a small addition to present structures.

Serious consideration is being given by city officials and Chief of Police John Tappel to the purchase of a one-way radio that would broadcast from the city hall to street cars and other vehicles within the confines of the Tri-Cities area.

Full data on the subject has been compiled by Mayor M. E. Kirkpatrick, the police chief and members of the aldermen, police committee, and it is likely that some definite action will be proposed to the city council at its next session on Jan. 15.

Births exceeded deaths 3-4-2 in the four cities of this community during 1936, according to the vital records kept by the city clerk. There were 687 births against 429 deaths, a net gain in the population of 258.

Twenty-three Madison county tavern owners have obtained their 1937 licenses at the office of County Clerk Robert Hottel. On the corresponding day last January, only 13 licenses had been issued. That is, 10 more licenses were issued in the year.

New officers of Granite City Lodge No. 877, A.F. & A.M., were installed Saturday evening in a ceremony taking place at the Masonic Temple.

Those who will serve this year are Arthur Jones, worshipful master; C. W. Clemons, senior warden; Louis Schmidt, treasurer; George Malotki, secretary; A. W. Hiscot, chaplain; George Gorgeoff, senior deacon; Edward Gangluff, junior deacon; Fern B. Stein, senior steward; W. Houston, junior steward; Bruce Lusk, marshal, and Charles M. Carpenter, tyler.

Large-sized circulars were mailed to members of the Granite City Elks Lodge last week, warning pictorially that the lodge Crippled Children's committee has accomplished in less than two years.

Accompanying the 18 pictures of crippled citizens who have been given a new lease on life is a statement from Walter A. Reese, chairman of the Elks committee.

James E. Nelson has been appointed general chairman of the President's Birthday Ball at the instance of Gov. Horner. Mr. Nelson has already arranged for one dance to be held at the American Legion and one at the Knights of Columbus home.

Two wide-awake young girls, Barbara and Betty Ervin, recently called at the office and insisted on putting in their applications for carrier jobs. The circulation manager listened attentively to their qualifications and set forth by them and was so very tempted to give them a chance.

They insisted they could sell as many papers of the average boy and refused to admit that just because they were girls, they should be barred from having a chance. They claimed they had permission from their parents and knew they could make good.

Mrs. Bertha Pickett and Mrs. Lucile Evans co-hostesses Thursday evening to the Past Chivalry Association of the Pythian Sisters at a business and social meeting in the home of the former on Edison avenue.

The social part of the evening was spent in playing lotto and prizes were won by Mrs. Earl Butler, Mrs. Ella Twelp, Mrs. Sadie Welby, and Mrs. Daisy Cherry.

Others to whom refreshments were served were Mesdames Nettie Conner, Martha Sperry, Mada Hodge, Lillian Campbell, Olivia Allison and Nae McCauley.

After losing to Wood River last Friday evening by a score of 35 to 16, the Madison Trojans reversed themselves and played championship ball the next night to defeat the Bellemeille quintet 29 to 20 at Madison, giving them a standing of two wins and one defeat in conference play to date.

Venue Mayor Dr. J. E. Lee and Chief of Police Harry E. Hartman are in Springfield today attending the inauguration of Gov. Henry Horner.

Expect to return after attending the inauguration ball to be held this evening.

"The Late Christopher Bean," a three-act comedy will be presented by the senior class at Community high school Monday and Tuesday.

Drainage Action By Council Vital To Future Of Every Local Family

Since Granite City drainage action, or lack of it, literally means the difference between community progress or stagnation, the proposal currently before the city council must be weighed factually by officials and citizens. It is much too important to be considered on the basis of fallacies.

1. One fallacy was voiced almost immediately, long before there could have been an objective study of the committee's report. It is that some areas have no drainage problems and therefore have nothing to gain.

The fact is that every neighborhood has at least some storm water accumulation and later could have much more of a flooding problem unless the recommended action is taken. Also, impassable streets affect everyone, and all are harmed when industry bypasses the Quad-Cities due to inefficient drainage. Local pocketbooks are directly involved when jobs are limited, taxes are not adequately shared and property values fall.

CONDITION OF PATIENTS SHOULD BE REPORTED TO THEIR RELATIVES TO THE EDITOR:

Ask anyone—an auto mechanic, a TV salesman, a plumber, a list, a nurseman—What's wrong? You got an educated answer for your money.

Ignorance is always looked or shrouded in secrecy. I have recently experienced what might be termed appalling, if not sacreligious and archaic practices in the medical field.

I find that relatives of convalescents in hospitals are refused information concerning the physical and/or mental condition of their loved ones. I find that relatives of convalescents in hospitals are refused information concerning the physical and/or mental condition of their loved ones.

Sounds simple, doesn't it? Just try to see or telephone a doctor anywhere—at his office, residence or through his phone-answering service.

Certain responsible members of a hospital staff informed me on Dec. 24 that the doctors force suppression of this pertinent information. I believe the relative must have this vital information to make a proper understanding attitude may be assumed, which would alleviate a great anxiety. See what I'm driving at?

I plan to submit these facts before our state legislative body, that the suppression of vital, pertinent information concerning hospital and/or doctor's office patients be deemed a misdemeanor.

The patients' relatives must be kept abreast of changes in the patients' attitude. This information must be readily available at the nurses' stations; available to relatives who can authenticate their identity.

I am seeking additional help in this matter and would appreciate communication from any interested individual or groups. After all, a human is not a commodity. A sick human cannot help himself, sometimes. You pay for a service; this should be part of the service you pay for.

FLOYD E. HATCHER

Hatcher Promoted At Engineer Depot

Floyd E. Hatcher, 2979 Iowa street, has been assigned the duties as Chief of the Supply Branch, Maintenance Division, at the Granite City Engineer Depot.

A graduate of Madison high school, Hatcher was employed as Supply Officer for the St. Louis Engineer Supply Control office, with offices located at the local depot, from 1947-1950. When ESCO transferred operations to St. Louis, he went with the office change. He was employed there until November when he transferred back to the depot.

"It is a surprising thing," he stated, "how many of my high school friends are working here on the Depot."

for politically-motivated reprisals against the mayor or others.

The fact—As said before, too much depends on drainage; shortsighted partisanship or sectionalism cannot be tolerated. Opposition, rather than serving the public, can impair the future of every Granite City family.

7. A final fallacy—A referendum is the best course of action for the city council. The fact—Last year's experience with the referendum cost doubt on the wisdom or sincerity of any such move, which is as unnecessary now as it was then. The referendum approved, but the council still has not accepted the people's decision.

Leadership and statesmanship are needed, not back-passing. Drainage construction and pollution abatement are essential; direct, favorable council action can make them a reality.

Director Schumacher Has Done Much To Maintain Interest In Civil Defense

In retiring as Granite City civil defense director, George W. Schumacher can look back upon a long and successful record in maintaining interest in the program despite general apathy.

We hope that the defense corps never needs to be mobilized for an enemy attack. But if it ever happens, there will be a nucleus that can be quickly expanded to cope with first-aid, rescue, traffic control, radiation detection and other tasks. Much of the thanks for this goes to Director Schumacher.

Regular Inspections Could Lead To Greater Fire Safety

Recommendations for fire safety inspections in the Granite City governmental report are worthy of serious study, since they can never be too much safety. Despite generally good past records here, fire remains a threat due to the ever-present prospect of property damage, personal injury and loss of life.

The proverbial ounce of prevention is appropriate in many fields but especially in the realm of fire safety. There are many common hazards that can be eliminated through regular inspections—mandatory at businesses and voluntary at homes.

Such inspections would be well worth the cost and are among the provisions of a city fire prevention code currently under consideration.

Century-Old Wisdom—Individual Initiative Must Not Be Destroyed

"You cannot build character and courage by taking away man's initiative and independence," Lincoln said a century ago, and this is still true today. Taxes, for example—an integral part of the American system—are improperly used when they destroy initiative.

Lincoln's statement is cited by the Illinois Taxpayers' Federation in noting that the federal government last year financed 13.5% of state and local government operations. It questions whether the growing proportion of federal aid is proving harmful as well as helpful, in that many may become unnecessarily dependent upon it.

While realizing that no single concept can be applied in all cases, we think Lincoln's comments sets out basic beliefs with which all can agree. A fuller quotation of his remarks follows:

"You cannot bring about prosperity by disincentivizing thrift; you cannot strengthen the weak by weakening the strong."

"You cannot keep out of trouble by spending more than your income; you cannot establish security on borrowed money; you cannot build character and courage by taking away man's initiative and independence;

"You cannot help men permanently by doing for them what they could and should do for themselves."

THE PASTOR SPEAKS

REV. VERNIE BARNETT  
Niedringhaus Memorial Methodist Church

Jesus grew up in a Jewish home. One of the strong ties of Judaism is the family-centered worship. Great days like the Passover are celebrated in the closeness of family loved ones.

Especially the men were responsible for seeing that the Sabbath was kept by worshiping the next generation. Special words of religious meaning were taught and used by the children. The Sabbath was kept by worshiping by and by staying close to home.

Jesus' teachings took for granted that the home would continue to be the principal teacher of religion.

In our day, parents are often for physiological reasons only home better replaced in teaching religion? I think not.

Parents are not only the first teachers of religion, but the most vital for a number of years. I know some families which are worshipping and teaching their faith together each day; as well as with other families on Sunday.

Teacher College Scholarships To 17 Quad-Cityans

George T. Wilkins, superintendent of public instruction, today announced that 63 graduates of high schools in Madison county have been awarded teacher education scholarships. Seventeen are from the Quad-Cities.

Wilkins said the scholarships were awarded to 17 students for teacher training at five state universities—Illinois State Normal University, Normal; Northern Illinois University, DeKalb; Southern Illinois University, Eastern Illinois University, Charleston; and Western Illinois University, Macomb.

He said the scholarships supported the initial list for Madison county and were made possible by a transfer of unused or partially used scholarships from quotas assigned to other counties. A candidate for a scholarship must have graduated in the upper half of his class and is entitled to instruction, matriculation, graduation, tuition and actively fees in the teacher education program.

High school principals certified the names of qualified candidates to Wilbur R. L. Trimpe, Madison county superintendent of schools.

Those listed from the Quad-Cities are ten graduates of Granite City high school—Robert H. Hottel, Robert Summers, Mary Gavin, Carolyn Crnkovich, Janet Davis, George Monken, Bill Riddings and Mary Walters; and seven graduates of Madison high school—Rosemary Grant and Charles Wendell Snowden.

Two-Day-Old Infant, Norma Waugh, Dies

Funeral services were held this afternoon at a local funeral home for two-day-old infant, Norma Waugh, daughter of Mr. and Mrs. Calvin Waugh, 2148 Miracle avenue. The infant, who weighed two pounds and 13 ounces at birth last Wednesday, died at St. Mary's Hospital, East St. Louis.

Other survivors include two brothers, Daniel 7, and David, 4, who reside at home; the paternal grandparents, Mr. and Mrs. Louis Waugh of Madison, Mo. W. Va., and maternal grandparents, Mr. and Mrs. Charles Snyder of Granite City.

Burial took place at Sunset Hills Cemetery.

Investigate Disturbance

Madison police are continuing an investigation of a disturbance occurring at 1:45 a.m. Jan. 3 at the Lewis tavern, Fourth street and Madison avenue, in which an unidentified man threw a pool ball, breaking two bottles of whisky on the back bar. A suspect has been questioned and released.

Stop Sign Charge

A charge of failing to stop at a stop sign at 23rd and Delmar avenue was placed against Arthur R. Bress, 48, of Madison, who was arrested after he posted his driver's license at the bond.

Finishes Recruit Training

James E. Edmister, 23rd and Madison, has completed his recruit training at the National Training Center, Great Lakes, Ill.

3-Hour Blaze Causes \$1500 Damage Friday

Firemen from the West Granite station fought a blaze for over three hours from 3 p.m. to 6 p.m. Friday at 2615 Highland avenue, where siding and roof on a frame home occupied by Eunice Johnson was damaged. A large frame garage and a shed belonging to the John Zigler estate were destroyed.

The losses were set at \$1000 to the shed and garage and \$500 to the Johnson house, located on the rear of the lot. Firemen said the shed and garage fire was started by a vacuum in the coal heating stove.

Two-Car Collision

A Saturday afternoon Madison avenue collision in the rain at 6:30 p.m. Thursday at Niedringhaus Memorial Methodist Church, 19 of 2308 Edison avenue, said his car slid on wet pavement and struck the rear of an auto driven by Jim Thomas, 32, of 2929 Madison avenue, who had stopped for a traffic light. No injuries were reported.

Driver Faces Charge

Audrey Eddleman, 39, of 1215 Edwardsville road, was charged with making an improper start from a parked position in the 2100 block of Edison avenue Thursday.

Police reported she pulled into the side of a northbound car operated by Bert D. Hoffman, 31, of 2601 Lincoln avenue. She posted her driver's license as bond. No injuries were reported.

## Miss Phyllis Wallace And Donald Stieb Wed Saturday

Miss Phyllis Wallace, a daughter of Mr. and Mrs. Preston Wallace, 1331 Clark avenue, and Ronald Stieb, a son of Mr. and Mrs. Peter Stieb, 2281 Pontoon road, and the late Mr. Stieb, were married Saturday afternoon in an informal ceremony taking place at St. Elizabeth Catholic Church.

Greenery and white flowers decorated the altar and sanctuary for the 3 o'clock ceremony performed by Rev. Lawrence Mattingly. A reception followed at the church.

Given in marriage by her father, the bride wore a short white satin brocade dress styled with a scoop neck, long tapering sleeves and a bell skirt. A short veil was secured by a crown of sequins and pearls and the bride's bouquet, centered with a removable corsage, was made up of white roses.

Attendants were Miss Sallie

Stieb, a sister of the bridegroom, and Delbert Ambuhl, Miss Stieb was in a dress of champagne lace and taffeta. The fitted bodice of lace had three-quarter length sleeves and the skirt was of taffeta. A narrow belt of avoirdupois ribbon matched the head piece and accessories which completed the costume.

Affording an effective contrast was a bouquet of bronze chrysanthemums.

Mrs. Wallace wore a pale blue wool sheath and Mrs. Stieb, the bridegroom's mother, was in a beige knit dress with had corsages of white roses.

The bride and groom are graduates of the Granite City High school and Mr. Stieb attended Southern Illinois Residence Center in Alton. He is employed at the DeWitt Suburban Paint Store, 2113 Johnson road.

The newblows will live at 1839 Delmar avenue.

## Afternoon Guild Of St. Peter Church Meets

The Afternoon Guild of St. Peter United Church of Christ, 21st street and Cleveland blvd., held the first meeting of the new year Thursday with 33 members in attendance.

"Church of the Living God, (Create-Renew-Within-Me)" was the topic of the devotional service with the chairman of the missionary department, Mrs. Iona Williams, in charge, assisted by Mrs. Maurine Anthony, Mrs. Elsie Branding, Mrs. Theresa Daigler, and Mrs. Viola Strobelde. Mrs. Florence Hadalier was at the piano.

Mrs. Estelle Monken, vice-president, conducted the business session during which projects for the 1962 department chairmen.

Announcement was made of a meeting of the Christian Social Action committee at Trinity Church in Belleville on Jan. 17, beginning at 9 a.m. The theme will be "The Church and Civilian Defense" and a special evening program will be held for young people of high school age.

Mrs. Branding, sewing circle chairman, reported 16 quilts completed and plans were made to resume the regular Bible study, with the topic "The Twelve Christ Chosen," on Thursday, Jan. 11, at 1:30 p.m. Ladies of the church will be welcome for quilting and handbags folding that morning and to bring their lunch and remain for the program. A combined meeting with the Evening Guild is also planned for Feb. 5 at 7:30 p.m.

After the closing hymn and the benediction, refreshments were served.

**St. John Church Afternoon Guild Plans Special Day**

Mrs. Mildred Branding and Mrs. Ellen Ehler, the newly-elected treasurer and secretary were introduced by Mrs. Alysia Seigel, president, at a meeting of the Afternoon Guild of St. John United Church of Christ on Naneos road Thursday.

The meeting opened with a hymn, and prayer by Mrs. Marie Fiddows, and Mrs. Mildred Branding reported on the sick. The members were reminded to send cards to a shuttin, and the birthday list was read by Mrs. Kathryn Roman. A hymn was sung in their honor.

Mrs. Alice Kaler, Christian service chairman, thanked the ladies for the cookies and fruit sent to the Eliza Memorial Home in Alhambra last month. Announcement was also made of the "fun and work" day Feb. 1. The meeting will be held at 9 a.m., followed by a pot luck luncheon at noon and afternoon spent in making cancer bandages.

Mrs. Seigel announced that the coffee parties would be resumed this year and devotions were led by Mrs. Ehler, assisted by Mrs. Grace Ham. The topic was "The Church of the Living God." A skit was given in connection with the service by Mrs. Edna Buenger, Mrs. Myrtle Landwehrmer, Mrs. Clara Huber and Mrs. Mildred Riddle taking part.

After the closing hymn and prayer refreshments were served to 46 members by a committee headed by Mrs. Kaler.

## Ladies Coterie Hears Talk On Dry Cleaning

Mrs. Rex Niles was hostess to the Ladies Coterie Thursday afternoon at a meeting in the parlors of First United Presbyterian Church, 22nd street and Delmar avenue.

A dessert luncheon was served to 16 members and a guest, Mrs. Marie Hampton, who presented the program.

Mrs. Christ Louis, president, was in charge and Mrs. Edward Pauly, program chairman, introduced Mrs. Hampton, operator of a local cleaning shop here, who gave an enlightening talk on dry cleaning of synthetic fibres and man-made materials. The talk was supplemented by films to lend impact to the presentation. Mrs. Hampton is president of the Tri-City Dry Cleaners Association, division of Associated Retailers and Civic Association, a member of the National Institute of Dry Cleaners and is on the advisory committee of the National Education Program on Clothing Care.

The Coterie members were invited to the home of Mrs. Fred Haug, 2415 Delmar avenue, for the Jan. 18 meeting.

## Chief Says

(Continued from Page 1)

work, the chief says he would run the sheriff's office with a high level of efficiency. He would seek a merit system for deputies and sufficient manpower and salaries to upgrade the staff for greater crime solution and prevention, he added.

Opponents, meanwhile, say there is much in Fraumauer's record that will furnish ammunition to be used against him in his campaign.

**Aside from the sheriff and**  
Madison County Home Bureau Wednesday afternoon at Nidringhaus Memorial Methodist church.

Mrs. Genevieve Hill, unit chairman, conducted the business meeting and explained a proposed change in name of the state organization. A vote of the unit was taken on the matter.

All members unable to be present will be contacted by a committee to give their vote. Delegates to the state convention meeting in Urbana Jan. 31-Feb. 1 will give the counties' name change.

Mrs. Wendler, home advisor explained in her lesson that new fabrics are coming on the market all the time, and said the consumer should not buy until she reads the label for the table of contents. She should follow the washing or cleaning instructions given on the label to obtain the best results, Mrs. Wendler added.

## Mrs. Bernice Ogden, Visiting Here, Dies

Mrs. Bernice Ogden, 58, of 1516 Fifth avenue, Rockford, former resident of Madison and Venice who had been visiting here over the holidays, died at 10 a.m. today at St. Elizabeth Hospital.

Mrs. Ogden became ill Saturday morning while visiting at the home of her son-in-law and daughter, Mr. and Mrs. Gerald (Linda) Snider of Venice. A son said she went into a sudden coma, and was taken to the hospital shortly afterward.

Mrs. Ogden was born at Willard, Mo., and made her home in Venice and Madison for a number of years before moving to Rockford seven years ago.

Survivors, in addition to Mrs. Snider, are her husband, Curtis, four sons, Donald, of Granite City, Harold and Noel, both of Rockford, and Thomas Ogden of Horseshoe, N. Y., two other daughters, Mrs. Lloyd (Wanda) Belcher, Granite City, and Mrs. Jack (Georgia) Wilson, Albuquerque, N. M.; three brothers, John Thompson of Granite City, Ernest of Venice and Frank of Willard, Mo.; four sisters, Mrs. Lola Lanham of Venice, Mrs. Orville (Bertha) Jones of Granite City, Mrs. Jane Smith of Triana, Ark., and Mrs. Ruby Roy of Clarksville, Ark.; 16 grandchildren, and one great-grandchild.

Her remains will lie in state at a Madison funeral home, where arrangements are pending. An obituary is given elsewhere in this issue.

## Mrs. Julia Jasudowicz Succumbs At Age 44

Mrs. Julia Jasudowicz, 44, of 1813 Fifth street, Madison, died at St. Elizabeth Hospital at 6:15 a.m. yesterday following a 10-week illness. She had been hospitalized two days.

Born at Desloge, Mo., Mrs. Jasudowicz had been a Madison resident nearly 44 years. She was a member of St. Mary's Church and the Polish National Alliance.

Surviving are her husband, Mike Jasudowicz; two sons, David and Richard; and two daughters, Marie and Mary. Mrs. Jasudowicz was a member of St. Mary's Church and the Polish National Alliance.

Funeral arrangements are given in the obituary column.

## Cars Damaged In Venice

A collision at Mercedia and Calhoun streets, Venice, at 4:35 p.m. Saturday, damaged the front of the westbound auto of Emmett Timmons, 1041 Calhoun street, and the left side of the southbound car of Wesley Crawford, St. Louis.

## Mrs. Costello Improving

Rt. Rev. Msgr. Michael Costello, who entered St. Elizabeth Hospital early on the morning of Dec. 30, is reported today to be improving slightly. Hospital authorities said visitors are not permitted in the room.

## Vandals Break Window

John Toth, 4023 Maryland street, reported to police yesterday at 9:50 p.m. that vandals broke past his home and fired an air rifle at his front window last night. The shot resulted in a small hole in the glass.

## Treated At Hospital

Joe Hans, 14, of 2314 East 25th street, was treated at St. Elizabeth Hospital at 1:35 p.m. yesterday after sliding into a brick wall and receiving a laceration on the left side of the head. He had 10 stitches and was released.

## Auto Agency Swept By Fire

(Continued from Page 1)

ner tavern next to the agency and a house on the rear of the tavern lot, but the blaze had gained too much headway for anything to be salvaged from the burning building.

## Auto Tanks Explode

Explosions believed to be auto gasoline tanks punctured the stillness and caused tongues of flame to break through the thick pall of smoke from time to time. Snow continued to fall rapidly and soon coated the numerous water lines snaking across the traffic-deserted six-lane thoroughfare. Police directed traffic, ambulances waited with motors running, and tow trucks moved in and out to clear away the parked cars.

By 5:30 p.m., two hours after the alarm was sounded, night had arrived and most of the spectators had gone. Part of the roof had caved in, and firemen waded through standing water in the dark, acid-smelling interior, putting out the last of the flames.

## Breaks Out Again

One water line was left in operation until 7:30 p.m., and clean-up tasks at the main station were completed by 8:15. The blaze broke out again at 10:30 p.m., causing firemen to remain at the scene another 40 minutes.

Venice firemen rushing to the scene, Chief Michael Leatherman, Assistant Chief William Meekhan, Ralph Hackney, John Wise and Leo Schank, escaped injury at 4:10 p.m. Sunday when a northbound police car, operated by Patrolman Mervyn Langston was struck in the right rear by the front of the auto of William R. Workman, 18, of 2230 Alexander avenue, westbound on 20th street at Madison avenue.

Workman reported suffering minor injuries, but three passengers were uninjured. A flashing red light was in operation on the Venice patrol car. Workman said he had a green traffic light and did not see the police vehicle in time to stop.

## MAYOR DAVIS Seeks Meeting

(Continued from Page 1)

proposals herein contained." On a number of occasions, we have been called upon in limited capacities. We feel that our efforts helped the newly organized Planning Commission to establish itself.

"We met with members of the Council at their request to further explain the objectives of and working methods we envisioned for the important activities of the Council. On the whole, however, we have felt it the correct professional posture not to enter into the day-to-day administrative affairs or the policy making activities of the city unless called upon in regard to specific situations. It was never our belief that such conferences would be fully utilized, or that such conferences would be adopted in rapid fashion.

Long-Range Guide  
The report, rather, was intended as a long-range guide for improving the conduct of public affairs in the city, and as a document to be widely disseminated and discussed by citizen groups to aid them in their all-important task of holding government accountable and responsible.

"It is also worth recapitulating that we did not claim universal competence in regard to the city's affairs. In the letter previously referred to we also wrote, 'Evidently there will be many things in this report with which officials and citizens may find fault. Some will think there are omissions, some will feel that emphases were put in the wrong places.' At the same time it should also be noted that most of the attention in recent months has been devoted to only two proposals contained in a report of some 220 pages.

125 Major Proposals  
There were, in fact, some 125 major proposals and conclusions in the report for possible consideration and action; some of these were general, involving broad organizational or approach changes, while others were specific, involving recommendations applicable to a variety of the municipal operations.

"While it seems to us, as previously indicated, that the responsibility for implementation

## Grader Hits Auto

A Granite City road grader, operated by Pete Dematties, 2144 Lynch avenue, struck a parked car in the 3000 block of Franklin avenue Saturday at 5:05 p.m. Police said that the grader was headed north when the back end slid into a car belonging to James Grissom, 3930 Franklin.

One of the various recommendations and the decisions as to the usefulness and worthiness of a new east with the people of Granite City and not with any outside experts, we do want to assure you of our continuing interest in the future development of Granite City.

"It would seem that this is a propitious time to sit down with the Mayor, city officials and the Council members to review objectives and to clarify misunderstandings and misconceptions that inevitably develop when proposed governmental changes are executed. We might also add that such conferences would enable us to learn from the practical and long experience in local government that so many Granite City officials have had. This would, indeed, contribute to our future usefulness as consultants, scholars and teachers.

"I hope you will favor this proposal so that we might continue to honor our earlier pledge of cooperation. In the meantime, may I wish you and all the people of Granite City a most successful New Year in your coping with community and civic endeavor."

## Auto Skids Into Pole In City's 1st Snow Mishap

The first accident attributed to Saturday's snow was reported at 9:10 a.m. to Granite City police when Eugene Parson, 18, of 2803 Haring avenue, escaped injury as his car skidded into a utility pole at 18th and Benton streets. Parson told police he was traveling east when the mishap occurred.

Earlier, at 7:45 a.m. when the snow was beginning to fall, an auto-truck mishap was reported occurring in a commercial driveway in the 2200 block of Madison avenue. B. C. Gitcho, 44, of 3304 Nameoki road, reported to police he was in the driveway in his auto when a truck being operated in reverse hit the left front fender on his car. He said the driver of the Hakebost Grocery vehicle apparently was unaware of the mishap and drove off.

Condition Still Critical  
Granite City Policeman Ernest L. Adams, 59, of 4013 Rode avenue, remains in critical condition today at St. Elizabeth Hospital where he was admitted Dec. 26 following a heart attack at his home. However, a spokesman for the family told the Press-Record today he is improving.

Fire Call Today  
Firemen were called to a service station at 18th and State streets at 10:10 a.m. today. Gordon Campbell, operator of the station, told firemen that his oil furnace was smoking. There was no damage, firemen said.

## Multi-Million Dollar Agreement Sign To Manufacture Revolutionary New Aircraft

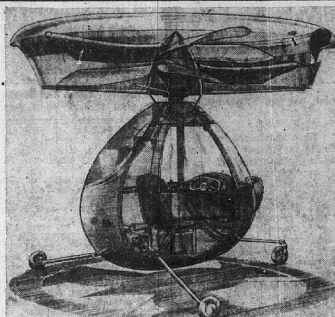

**TOKYO, JAPAN** — An agreement providing for the formation of a Japanese holding company to manufacture and distribute on a global basis the revolutionary "Anyon" can-fly aircraft, was announced today by a group of prominent Japanese industrial and banking companies. The announcement was made by Lyle Karl Vance, president of Helipod, Inc., of California in conjunction with Mr. Kichiro Miki, president of the Shinsai Kaiko Company, Ltd., of Tokyo, representing the Japanese group.

Priced for less than a compact car, the Helipod is defined as a "vertical take-off and landing, shielded rotating wing biplane." It is designed to operate 5 to 6 hours on 12 gallons of fuel at speeds up to 65 miles per hour. The craft takes off and lands in a small backyard area, has excellent hovering capabilities, maximum personal safety and simple operation.

Helipod, Inc., a U.S. marketing, engineering and patent research organization, was formed to assist manufacturers to develop the prototypes and provide for also the production and marketing of Helipods and associated items.

The newly formed Japanese holding company will have exclusive rights to world-wide Helipod manufacture as well as domestic Japanese marketing. Helipods in the world distribution will be handled by Helipod Ad-Vance International, Limited, Hong Kong corporation. Individual representatives are scheduled to coincide with completion of the current testing program. Models are being made both in the United States and Japan.

The first full scale Japanese prototype is expected to fly next summer. It will be a single passenger Helipod S.C. (Sports-Civilian). Larger, more powerful multi-passenger versions for family or commercial transport will follow. Most people can learn Helipod operation in minutes due to simple design, according to Mr. Vance.

In addition to pleasure, sport and leisure flying, Helipod will serve many useful commercial, industrial, governmental and private purposes. It will provide speed and safety for the rural doctor, eliminating the delays and dangers of unsafe or blocked highways. Fitted with chemical tanks and spray heads, farmers will use Helipods for low cost crop dusting and for spotting stock and dropping food during winter months. Life guards can patrol larger beach areas. Emergency units can function faster and save more lives in case of disaster. Helipods low initial cost and low operating expenses will be very attractive to the municipal, county, state and federal governments — and taxpayers.

Further details of Helipod's construction and flight principles will be released at the discretion of the board of directors of the Japanese holding company.

## Increase of 13 Relief Cases In Nameoki Township

An increase of 13 relief cases with an additional 66 persons was reported for December at the office of Nameoki Township Supervisor Harry Briggs. Relief costs during the month amounted to \$619.05.

The December totals compare with 63 cases, 211 persons and \$494.04 for November. For 1950 and December 1950 totals of 77 cases with 321 persons and costs of \$781.51.

## Census Bureau To Get Fallout Shelter Data

The January Current Population Survey will include special questionnaires to purchase automobiles, television sets, washing machines, and refrigerators. The U. S. Census Bureau announced today. This is part of a quarterly survey being made at the request of the Federal Reserve Board for use in a national study of consumer buying trends.

At the request of the Defense Department, home owners in the Current Population Survey will be asked if they have a fallout shelter or if they intend to build one within the next 12 months. Another special question will cover television set ownership. This question is being asked at the request of the Advertising Research Foundation.

The special questions on consumer buying plans, television set ownership, and fallout shelters are in addition to the regular questions on employment and unemployment which are asked each month in the Current Population Survey. The Current Population Survey will be conducted here and in 332 other sample areas of the country during the week of January 15. Information will be collected locally by qualified census employees.

## Mrs. Pearl Ramseger Succumbs At Hospital

Mrs. Pearl Baskette Ramseger, 71, of 2009 Fourth street, East Madison, died at 4:15 p.m. Thursday at St. Elizabeth Hospital, where she had been a patient for three weeks. She had been ill since last February.

Mrs. Ramseger was a 50-year Madison resident and attended the First Baptist Church there. She was born in Princeton, Ind. Surviving are a son, James E. Baskette of Granite City; a daughter, Mrs. Elwood (Hazel Lee) Davis of East St. Louis; a sister, Mrs. Ethel Lafford of Baldwin, Mo.; two grandchildren and a number of nieces and nephews.

Funeral services were conducted at a Granite City funeral home Saturday afternoon, with Rev. K. W. McDaniel, pastor of the Madison First Baptist Church, officiating. Burial was in St. John's Cemetery. An obituary appears elsewhere in this issue.

### Sgt. Payne Completes Army German Language Course

Army Sgt. Charles E. Payne, whose wife, Christina, lives at 3168 Robert avenue, recently completed the 4th Armored Division's two-week German language course in Germany.

Sgt. Payne received 64 hours of instruction, in which only the first hour was given in English and the remainder entirely in German. The course is designed to give the student basic conversational knowledge of German and provide him with an incentive to pursue the language further. The 4th Division language course is part of the U. S. Army, Europe's German-American relations program for better understanding between U. S. Army personnel and the German people.

Payne is assigned to Headquarters Detachment of the division's 4th Quartermaster Battalion in Goppingen. He entered the Army in July 1948 and arrived overseas, on this tour of duty, in September 1961.

The 32-year-old soldier is the son of Benjamin J. Payne, McNeiry, Tenn.

### March of Dimes Plans Include Amateur Show

Robert Butler, Teen Age Program chairman for the New March of Dimes drive in the Quad-Cities, has announced a benefit amateur talent show to be held at the Washington theatre on Jan. 27.

Entrants are now being sought for the program, Butler said, and those interested in trying out for the show should ask their teacher for an application form or contact him. Age limit for contestants will be 1 through 18.

Miss Penny Maeras of Madison, co-chairman of the Teen Age fund-raising activities, also will accept applications for the show. Further information may be secured from either Butler or Miss Maeras.

Butler said the younger campaigners will sponsor a semi-formal dance, details of which are to be announced later. Other fund-raising activities will include candy and balloon sales, and youth road blocks.

The Teen Age Program chairman said any student in the Quad-Cities area who would like to volunteer his or her services to aid in the March of Dimes drive should contact him.

### Collision Damage

The left front bumper of the eastbound auto of John Ballhorn, 46, of 2825 Wayne avenue was damaged in a collision on Broadway at Fourth street at 5 p.m. Thursday. Also involved was the left rear bumper of the northbound car of John O. Smith, 23, of 416 Mercordia street, Venice.

### County Officers Are Attending Tax Clinic

A tax clinic is being conducted in Springfield today for county officers to help them perform their statutory duties more efficiently and to contribute to procedural uniformity throughout the state.

Miss Eulalia Hotz, county clerk, and two assistants are attending along with other county officers. A panel of experts is to interpret legislative changes made by the General Assembly in 1961 and answer questions regarding tax rate limit laws, levies and other problems involved in computing tax bills.

The purpose of the meeting is to provide a briefing for county clerks, state attorneys, treasurers, superintendents of schools, supervisors of assessments and other officials concerned with taxation.

### Vandals Damage House While Owner's Away

Fred Biggs, Marquand, Mo., told Granite City police Thursday afternoon that vandals damaged his local home at 2731 Buxton avenue within the past three months.

He said entry was gained by breaking the glass in a rear door. The door has been removed. Venetian blinds on a north window were partially burnt, the bathroom walls were damaged and the television tubes were removed or broken, said Biggs. He added that the vandals had ransacked the entire house.

### 20th Street Accident

Two autos traveling east on 20th street collided on the railroad tracks Thursday at 1:15 p.m. The autos were operated by Ben Zimring, 40, of 1832 State street, and Kathryn Turpin, of Anaheim, Calif. There were no injuries reported, police said.

### CANDIDATE FOR Madison schools is Russell G. Shaver of Madison, former assistant county superintendent.

### Shaver County Supt. Of Schools Candidate

Russell G. Shaver, 251 Rhodes street, Madison, former assistant Madison county superintendent of schools and now principal of the South Roxana grade school, today formally announced his candidacy for the Democratic county school superintendent nomination.

Shaver and the father of four children, Shaver has spent 25 years in the field of education, including seven as principal of elementary schools and 10 as assistant county superintendent. Holder of an all-grade supervisory certificate, he received a Southern Illinois University bachelor of science degree and a Washington University master of arts degree in educational administration.

While assistant county superintendent, he was in charge of school finances, school lunch, transportation and special education programs. He was a high school and elementary coach for eight years, and served as head coach of football, basketball, baseball track at Madison high school.

He has officiated in school district and college athletic contests for 28 years, headed the Southwestern Athletic Officials Association for two years and was 1958 president of the Illinois Athletic Officials' Association.

A member of various educational associations and secretary of the Madison County Education Association, he is a past-president of the State, County and Municipal Union Local 700, Edwardsville. A former delegate to the Tri-Cities Central Trade Council, a former member of the Bollersmakers union of Evansville, Ind., he is active in the Roxana Federation of Teachers. Shaver is a member of the Methodist church, Masonic Lodge 877, the County Association for Mentally Retarded Children and the Edwardsville chapter board of the Mentally Retarded Children's Association.

### Accident Charge Filed

Dalton R. Pasley, 25, of 2830 Myrtle avenue, was charged with failing to yield the right of way at 22nd street and Madison avenue Friday at 8:50 a.m. He told police he was headed south on Madison and did not see a school stop sign at 22nd street. His car struck an eastbound auto operated by Margaret Cox, 42, of 2150 State street. There were no injuries, police said.

### Tax Officials Here Today To Aid Filers

Internal Revenue Service personnel are on duty today in the city council room of the city hall in Granite City to assist in the preparation of 1961 income tax forms.

The IRS agents, from the East St. Louis office, will be available until 4 p.m. today, and again from Monday from 9 a.m. to 4 p.m. The IRS Springfield office has announced.

Telephone assistance is not available, and persons seeking aid in preparing their income tax for last year should visit the city hall in person.

The tax officials also will be on duty at the location here during the same hours on Jan. 22, 29, and 30; Feb. 5, 12, 19, 26, March 5, 12, 19, 26; and April 2, 9, 10 and 16.

### St. Louis Car Merged With General Steel

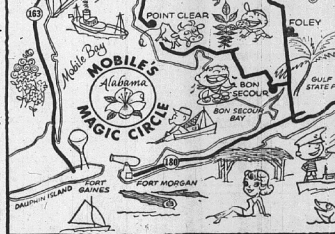

St. Louis Car Co., formerly a wholly-owned subsidiary of General Steel Industries, Inc., has been merged with the latter company as a division effective Jan. 1, 1962. C. P. Whitehead, GSI president, announced.

St. Louis Car, as the division will be known, was bought by general steel in 1960 and has been a major builder of rapid transit and certain types of railroad cars since 1887. Edwin B. Meisner, who has been president of St. Louis Car will continue in that capacity.

The merger was effected in order to simplify administration, Whitehead said.

## GC Library Preparing For New University In Area

(This is the 54th in a series of articles based on a reorganization study of city government in Granite City by Southern Illinois University.)

In a section devoted to the Granite City library, the SIU government study experts recommend the library board and staff "should study carefully the impact of community growth and the development of the university near here on the demand for library services."

SIU also suggests as alternatives of an addition to the present library building, the development of branch libraries or extension of the bookmobile service should be analyzed. "No action should be taken until the matter has been reviewed also by the Planning Commission which is responsible for the coordination of all public improvements in the community," the experts stated.

**Excellent Building Use**  
"The library should continue its excellent work in the most of the present main library building such as transferring the large unused space in the lower level. The windows and heating equipment on the floor should be revised for the recovered wall space to be used for bookshelves. The basement area should be turned over to efficient storage, stacks and study areas as needed," the team recommends.

Reviewing the development of the public library, the SIU experts point out it was founded in 1912 and is under the direction of a library board appointed by the mayor with the approval of the city council. The nine-member board cannot have more than one alderman as a member. Each board member is appointed for a term of three years with three to be appointed each year.

The library board meets monthly with the head librarian and most of the staff have training in library work. A finance committee of the board prepares the annual budget request for review by the whole board before it is submitted to the controller and the city council for inclusion in the annual appropriation ordinance for the city.

"Revenues of the library are derived almost entirely from the collection of fines and miscellaneous amounts to only \$200 to \$300 a year. Total revenues for the fiscal year ended April 30, 1960, were \$62,599 and \$54,400, respectively. The 1959 tax rate was \$0.0530 per \$100, assessed valuation.

"The library keeps its own books of accounts and does its own purchasing and pays its bills. The annual appropriation of the library keeps its own budget without further control by the city, although the controller keeps records of the total revenues and expenditures of the board and helps with year-end balancing and reports. The library funds are kept in the general city bank account. The head librarian keeps a record of budget and balance, and she reports the status of all items to the library board in a monthly report.

"This need also was pointed out in the planning report prepared by Harland Bartholomew and Associates of St. Louis for the Granite City Plan Commission.

**Increased Load Certain**  
"The increasing population of the area and the assurance of the construction of the Edwardsville campus of Southern Illinois University present an increasing load on the library facilities."

"The Bartholomew report recommended that additions be made to the library facilities and site. This could not be done without considerable expense. The library board is considering the alternatives of locating branch library facilities and a second level of stacks has been built on the main floor. An upstairs room once used as an historical room has been turned into a study room for students.

"There is a large meeting room on the lower floor where the librarian plans to move the entire section which now occupies one half of the main floor. This room is used infrequently for meetings and for story hour sessions in the summer.

"Since it has a separate outside entrance, it will serve excellently for the junior department. There are also large corridors in the basement which can be utilized for stacks and additional study areas. The library is completely air conditioned.

"The librarian and the library board recognize that there is a need for more space and for additional library services in the community.

**GC Meter Income In 1961 Highest In Three Years**  
Granite City's income from parking meters during 1961 was the highest in three years, totaling \$42,921, or an average of \$139.81 a day for the 307 days the meters were in operation.

The 1961 income topped 1960 by \$412, 1960 by \$412, but was \$103 under the total for 1958. The city's top year for meter income was 1956, when the total was \$49,256 for an average of \$157.81 a day.

Of this year's total, \$37,939 was collected in \$1 fines from violators as a drive was initiated during the summer to collect from delinquents.

While income from fines normally averages \$150 to \$200 a month, \$1288 was collected in August and \$487 in September. The low months for fines was December, when only \$83 was paid. However, the Associated Retail

& Civil Association instituted its annual custom of supplying parking meter patrolmen with nickels to place in the meters of downtown shoppers.

A breakdown of the 1961 meter receipts by month listing meter income, fines, total income and daily averages in that order, follows:

January - \$2,787, \$146, \$2,933 and \$117.33; February - \$3,348, \$153, \$3,501 and \$116.94; March - \$3,123, \$338, \$3,461 and \$115.20; April - \$3,137, \$188, \$3,325 and \$113.92; May - \$3,914, \$249, \$4,163 and \$138.80; June - \$3,206, \$132, \$3,338 and \$111.23; July - \$2,924, \$203, \$3,127 and \$104.23; August - \$3,882, \$128, \$4,010 and \$132.69; September - \$3,547 and \$136.42; October - \$3,885, \$304, \$4,189 and \$138.33; November - \$3,048, \$12, \$3,060 and \$102.00; December - \$2,997, \$83, \$3,080 and \$102.60.

**Tuberculin Tests At 3 GC Schools Tomorrow**  
With 96% of the eligible Granite City students having participated last year, tuberculin tests will be given again tomorrow to members of the ninth through twelfth grades. Over 2000 are expected to receive the tests.

Locations will be Granite City high school and local private Prather junior high schools. Local physicians will be in charge, donating their services. They will be assisted by nurses and parents. Reactors will receive chest x-rays next month at GCHS.

**Madison Lions Club Has 'Steak Night' Dinner**  
Twenty members of the Madison Lions Club attended a "steak night" dinner at the Sportsman Club Thursday night, with an additional 15 arriving for the social hour following.

One guest, Von Dee Cruse was present at the meeting, which was the regular weekly one for the organization.

Plans were announced to hold the annual Sweetheart Dance in conjunction with a committee headed by Edward R. Dushik to complete the arrangements and report at a later meeting.

**Dr. Hector Zevallos Opens Practice Here**  
Dr. Hector Zevallos, a graduate of the Lima, Peru, medical school, who has been in the United States since 1956, has established his offices in Granite City with practice limited to obstetrics and gynecology.

Dr. Zevallos spent a year as intern at St. Mary's Hospital in East St. Louis, a year as resident obstetrician and gynecologist at St. Louis Maternity Hospital, and then four and one-half years at Jewish Hospital. He was chief resident physician in obstetrics and gynecology during his last 18 months at the latter hospital.

He will share offices with Dr. Otto Bauer at 1935 Edison street until suitable office space can be obtained, and has been named as a member of the staff at St. Elizabeth Hospital.

The new physician makes his home at 3145 Carlton avenue with his wife, Delores, and their two children, Miguel, 19 months old, and six-month-old Luis.

**Mrs. Martha Raney, Realtor, Dies At 70**  
Mrs. Martha Raney, a St. Louis real estate office manager and Granite City resident for 45 years, died Thursday at St. Elizabeth Hospital at the age of 70.

Mrs. Raney, who resided at 2422 Benton street, had been hospitalized since Dec. 26 when she was stricken with a sudden heart ailment.

She was a member of the Methodist Church and of the St. Louis Board of Realtors.

Services were held Saturday afternoon at a Granite City funeral home with burial in Sunset Hill Cemetery.

An obituary is given elsewhere in this issue.

**Miss Williams Critical**  
Miss Pat Williams, 19, a daughter of Mr. and Mrs. D. O. Williams, 4415 W. 11th avenue, who was listed as critically ill at Missouri Baptist Hospital in St. Louis where she was taken Tuesday, died Wednesday.

She was suffering from pneumonia.

## GC's Graduation, Senior Activities During January

Graduation of the 100th class from Granite City high school will highlight the month of January in the Granite City school system.

Commencement exercises are planned for Monday evening, Jan. 29, at GCHS, and much of the month will be devoted to pre-graduation events.

In addition to the National Honor Society initiation at 8 o'clock tonight in the school auditorium, the calendar includes tuberculin testing tomorrow; Modern Music 11th initiation Thursday, Jan. 11; senior "lucky days" Monday, Jan. 15; the senior banquet Tuesday evening, Jan. 16; the senior tea and a luncheon Wednesday, Jan. 17; the second of four 1961-62 band concerts Thursday evening, Jan. 18; final examinations Tuesday, Jan. 23, and Wednesday, Jan. 24; and a mother-and-daughter banquet Jan. 25; close to 1000 graduates are expected to participate in the January programs.

Baccalaureate services for seniors Sunday afternoon, Jan. 28, and commencement the following night.

GCHS graduations date back to 1902. Classes were interrupted by the war, but with a change made later to semi-annual enrollment. Yearly classes since then resumed, and in the last of the January groups has progressed through the elementary and junior high school grades.

New Semester Jan. 29  
All Granite City public schools are scheduled to end the first semester Jan. 26 and begin the second term Jan. 29. Next school holiday after the teachers' vacation will be the Lincoln birthday day Jan. 12.

Coolidge, the high school's calendar for this month shows an American Federation of Teachers meeting in the cafeteria Jan. 20, a variety of scouting and square dancing sessions, a Parent-Teacher Association meeting in the cafeteria on the night of Monday, Jan. 22 and an apprentice carpenter's meeting Jan. 24.

The PTA meeting schedule includes Washington and Webster schools tonight, Emerson tomorrow night, Mitchell Thursday night, Lake and Marshall Jan. 25, Prather Tuesday, and Rose Bowl restaurant, it was announced today by the president, Paul H. Lichtenberger.

The agenda includes reports from the following committees: Planning and help from the business and industry, drainage, industrial development, light industry, good citizenship, transportation, highways, congressional action and membership.

**Recruiting Awards To 2 Scout Commissioners**  
"Order of the Golden Needle" awards were presented to Leonard Robbers of St. Elizabeth Catholic Church and Floyd Pfleiderer of the Marshall school PTA at a monthly Unishub Boy Scout district commissioners' meeting Thursday night at Dunbar school, Madison. Both were cited for having units recruiting at least seven new scouts in a year ago.

District Commissioner Bernard Miller Jr. announced that 16 scouting units have earned jeweled scout pins with their recruiting: Packs One, Two, Eight, 17, 19, 22, 41, 99 and 144; Troops Four, 13, 15, 16, 20, 23, 96 and 144; and Explorer Posts Eight, 13, 22, 111 and 122. The pins are to be awarded at this month's leader roundtable meetings.

Miller announced plans for emphasis in 1962 on camping, advancement and enrollment of new members. District Executive Dan Brown announced new program awards for units registering on time and achieving goals set in the previous year.

## National Honor Society GCHS Initiation Tonight

Twenty-six outstanding Granite City high school students will be honored during a ceremony at 8 o'clock tonight in the school auditorium. Selected on the basis of scholarship, character, leadership and service, they will be initiated into the National Honor Society.

Candidates are chosen from the list of students with "B" or higher averages by a group that includes about a third of the faculty. It is composed of the GCHS administrators and counselors; a representative from each subject matter area; a representative from each extracurricular activity; and the sponsoring committee, composed of Miss Hazel Towry, Mrs. Mary Tervin and William Schmitt.

Principal Lawrence McCauley will address tonight's gathering, and NHS President Richard W. Johnston will preside. A piano solo will be given by Walter Mathis, a reading will be presented by Jean Hinson, and a play initiation will be conducted by Janet McLeister, James Ash, Nancy McLeister, Teresa Griffith and Elaine Dine.

Top juniors, low seniors and top seniors are considered in the selections, conducted semi-annually.

## ENTRE NOUS CLUB ELECTS MRS. EBERHOLDT

The Entre Nous club met at the home of Mrs. Lorraine Fogle, 2335 East 25th street, Friday evening.

An election of officers for the new year was held, with Mrs. Louise Ebersholdt named president, Mrs. Naomi James vice president, Mrs. Maurine Jenne treasurer, Mrs. Fogle secretary.

Mrs. Geraldine Brooks, lieutenant chairman and Mrs. Gertrude Stein, historian.

The past president, Mrs. Jenne was presented with a gift from the club. A social time was enjoyed, with games played and prizes awarded to Mrs. Doris Hargrave, Mrs. Eva Clements, Mrs. Louise Ebersholdt, Mrs. Brooks, Mrs. Jenne and Mrs. Erma Graves.

Others taking part in the game period were Mrs. Fogle, Mrs. Lorraine Creighton and Mrs. Lela Kavala. Mrs. Rosalyn Kovarik was a guest for the evening. The next meeting will be held in the home of Mrs. Jenne.

## SERVICE GUILD MEETS

Mrs. Claude Eholis, Mrs. Harry Johnson, Mrs. Dennis Revelle, Mrs. Zolli Goinz and Mrs. Wilma Sackett took part in the topic, "Alcohol and a Christian Responsibility" at a monthly meeting of the Western Service Guild Thursday evening in the home of Mrs. Goinz, 1708 Sixth street.

The president, Mrs. Revelle, presided, and Mrs. Edna Austin gave the opening prayer. Others attending the meeting were Mrs. Lester Cook and Mrs. Elva Smith. A luncheon was served by the hostess.

Mrs. Revelle will entertain the group in her home, 1712 Sixth street, Feb. 1.

## QUILTERS MEET

The Ladies Quilting Society of the First Methodist Church met Thursday at the church for a day of quilting. During the noon hour, the group adjourned to the basement to enjoy lunch together.

Quilting was resumed during the afternoon by Mrs. Belle Woodring, Mrs. Edna Austin, Mrs. Alma Capshaw, Mrs. Wilma Sackett, Mrs. Cornelia Homert and Mrs. Minnie Martin.
